## THE OLYMPIC GAMES

Exercise D:

(10 x 1 mark = 10 marks)

Fill in the blanks using the words in the box below.

Zeus	horse	Ancient	Pierre de Coubertin	spears
Olympus	not allowed	races	bay leaves	gods

The \_\_\_\_\_ Greeks believed in many  
\_\_\_\_\_. For them, the greatest god  
was \_\_\_\_\_. According to the Greeks,  
these gods lived on Mount \_\_\_\_\_.

Along the years the Greeks started to organise special games in honour of these  
gods and goddesses.

Amongst these games one can mention \_\_\_\_\_ racing, the  
throwing of \_\_\_\_\_ and other \_\_\_\_\_.

Women were \_\_\_\_\_ to participate in these games.

The winners used to be honoured by a crown made of \_\_\_\_\_.

There was a time when these games came to a stop but in 1896 the Olympic  
Games were revived by the French Baron \_\_\_\_\_.

**Exercise E (i):**

(Total = 7 marks)

**Answer the following questions:**

1. When do the Olympic Games take place?

\_\_\_\_\_ (1 mark)

2. What is the meaning of the circles on the Olympic flag?

\_\_\_\_\_ (2 marks)

3. What is the aim behind the Modern Olympic Games?

\_\_\_\_\_ (2 marks)

4. Mention 2 types of sports which are performed in the Olympic Games

\_\_\_\_\_ (2 marks)

**Exercise E (ii):**

(5 x 1 mark = 5 marks)

**Write True or False next to each sentence. The first one is done for you.**

1	'Obesity' refers to the excess weight and body fats.	<b>True</b>
2	When we are mentally tired, it helps if we stop for a short break and play a game.	
3	The best foods for us are burgers, chips and fried food.	
4	When playing together we learn to relax, make new friends and we should expect to win all the time.	
5	We should eat a balanced diet.	
6	Monopoly, chess and <i>passju</i> are three traditional games.	

**Exercise F: Read this short story**

(8 x 1 mark = 8 marks)

Pierre and Neil are best friends and they are always seen together. However they are very different from each other. Pierre does not care much about his health and eats a lot of fatty foods. He likes to eat sweets after his meals. Rather than going for a walk, he prefers to play a game on his computer. He has an obesity problem.

Neil on the other hand likes to participate in sports. After school he eats a healthy snack and then his mother takes him for his training sessions.

Read the words in the box below. Write them in the column under the correct name.

burgers	cycling	sweets	chips
fruit and vegetables	lack of exercise	basketball	fish

**NEIL**

**PIERRE**

NEIL	PIERRE
1.	1.
2.	2.
3.	3.
4.	4.

## FROM THE CAVES TO THE SKYSCRAPERS

Exercise G: The first men. Draw a line under the correct word.

(10 x 1 mark = 10 marks)

1. The oldest forms of shelter used by men were the (caves, temples, farms).
