As from scholastic year 2018/9, all current Year 6 students are being offered the possibility of opting to follow the Sport Career Development Programme that will be available in all State Middle Schools in Malta and Gozo. This sport-oriented programme, aimed at students who wish to further develop their potential in a particular discipline, will include four weekly lessons in addition to the already provided three Physical Education lessons per week.

During the five-year course of studies that will be entirely practical and hands-on, selected students will be able to focus on their preferred discipline as well as other areas related to the sporting world such as Fitness, Outdoor Education, Photography, Media amongst other areas. Students will be provided with the necessary skills and knowledge in order to pursue a full time or part time career in sport, not necessarily from the playing aspect. Further details are provided in the attached document.

At the end of the first two years of study, at the end of Year 8, successful students will be awarded a qualification at MQF Level 1 while if successful by the end of Year 11 students will be awarded a qualification at MQF Level 2 or 3, depending on their level of attainment.

The sporting disciplines that will be catered for during scholastic year 2018/9 will be as follows:

Maria Regina College Naxxar Middle School	Basketball, Football
--	-----------------------------

Interested applicants are to be apply online via www.education.gov.mt (Sports Career Development Programme).

Applications will be open between Monday 12th March and Monday 23rd April.

All applicants will be called for a practical assessment in May to perform a set of pre-established and pre-announced drills related to their chosen sport. This will be the sole criteria for selection into this programme.

To this effect, a number of Information Meetings for parents and students will be held as follows:
