### The Reverse Project

Naxxar Primary School has joined the Reverse Advent Calendar Project in aid of the Foodbank at Saint Andrew's Scots Church, Old Bakery Street, Valletta. Every day, starting Friday 1<sup>st</sup> December till Friday 15<sup>th</sup> December. All the students will donate one non-perishable food item, from cans of food to sugar to cereals. We are asking for one item per child on a specific day (See below). Every single item will go towards people in desperate need, who unfortunately won't have the kind of Christmas we are all excited about.

***Although participation in this project is voluntary, it is the perfect time of the year to think about the needy.***

***So help us make a difference! Share your food! Share your joy!***
