

## Celebration Day

Below please find details which refer to the way we will be organising Celebration Day (Prize Day) as from this scholastic year.

1. Celebration Day will span over a week in Term 2 therefore naming this Celebration Week.
2. All year groups will take part. The reason is so that we celebrate the works and success of all students, educators and parents, thus making it a **whole school approach**.
3. Year groups will perform on different days.
4. Parents will be invited to attend and two parents are eligible to attend for every child.
5. Every student will be awarded because we believe that every student has a strength that merits celebration.
6. Students who have not sat for the **June formal exams** will be given a certificate.
7. Students who sat for the June formal exam will **either** be merited for success in such an exam or will be given a certificate.
